

# PYLARIFY SCAN

## REFERENCE GUIDE

### **ON THE DAY OF YOUR PYLARIFY SCAN:**

- Please note, you do NOT need to fast prior to your exam.
- Please do not wear any jewelry or metal on your clothing.
- Dress warmly in loose, comfortable clothing.
- You are welcome to bring books, computers or tablets to help pass the time.

### **UPON YOUR ARRIVAL...**

- We will ask you some questions, start an IV and draw labs if necessary.
- We will give you a quick injection through your IV. Once the injection is complete, the IV will be removed.
- You will then sit in an easy chair for a minimum of one hour.
- We will then have you use the restroom to empty your bladder.
- If you have incontinence, please bring an extra Depends/pad to change during this time.
- The scan will then begin. We will scan you from your pelvis up to your head.
- Scan will take approximately 25 minutes.
